## Camp Post

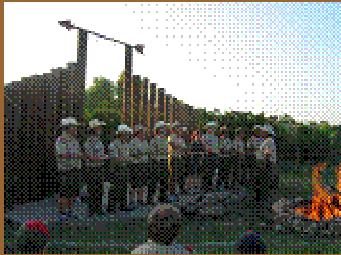

*"Traditional Scouting in a Ranching Setting"*

*Serving Scouts and Scouters on the edge of the Texas Caprock since 1925!*

# What makes Camp Post Special?

Since 1925, Camp Post has been serving the summer camp needs of Troops from every corner of the South Plains and beyond. The camps traditional Scouting program is delivered in a ranch setting. Upon your arrival, your Troop will be met by its personal ranch hand who will guide you through out your stay at camp.

Seasoned ranch hands (staff) will work hard to make sure Scouts and leaders have a great time while at Camp.

Sundays supper will be served off the ranch's chuck wagon and Scouts will be entertained by "Cookie", the chuck wagon cook. Friday's supper will also be served from the chuck wagon and Scouts will be entertained again by a cowboy who will share some authentic cowboy songs and poems from the old west.

During your stay, Scouts will have a wide selection of M.B.'s to work on and our Trail to First Class (1st year camper) program will provide a jump start for all new Scouts.

Major improvements have recently been made at camp and Scouts and Leaders will be some of the first to enjoy our new archery range, new shooting sports range, new COPE course, new air conditioning system in the dining hall, and new rest room/shower facilities. Camp Post has a lot to offer your troop. We humbly invite you to come out and see for yourself.
