

Chaparral District

Outstanding Committee Member Award

What is the Outstanding Committee Member Award?

The Chaparral District seeks to recognize Cub Scout and Scouts BSA Committee Members who have gone above and beyond in making sure their unit is healthy. Committee Members perform diverse jobs such as Committee Chair, Membership Coordinator, Unit Trainers, Fundraising Chair, Advancement Chair, and many more. Any unit Committee Member can be nominated as long as they have demonstrated exemplary service to your unit. These Committee Members grow their unit by encouraging volunteers, developing innovative programs, strong communication skills and excelling at all the little unseen things that make a unit succeed. Two Troop Committee and two Pack Committee awards will be given this year.
